

As part of our ongoing inclusive partnership with pupils from Holyrood Academy in Chard, students from both schools worked together to make the fabulous mobile hanging in our foyer. It was especially made to be enjoyed in our sensory garden at Fiveways, which will eventually become its forever home!

students from

Fiveways and Holyrood

worked together

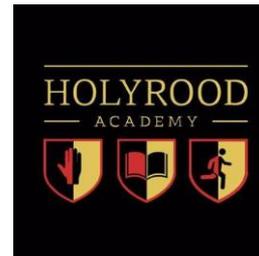

to make

a mobile

See us at work in Holyrood's Electronics Department designing, laser cutting and hanging our mobile.....

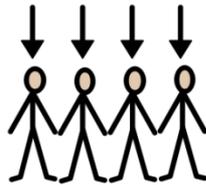

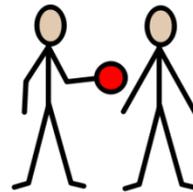

well done

everyone

for all your

hard work
