

imagine

if

my

hair

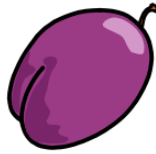

was purple

as purple

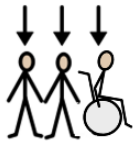

as

the plums

in the trees

everyone

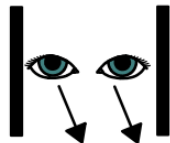

would stare at

my

purple hair

look at

colourful

me

imagine

if

my

hair

was turquoise

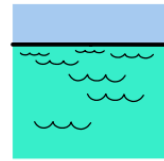

as turquoise

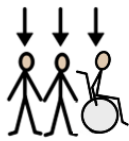

as

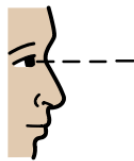

waves

on the sea

everyone

would stare at

my

turquoise hair

look at

colourful

me

imagine

my

hair

was scarlet

if

as scarlet

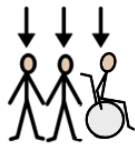

as

the nose

on a clown

everyone

would stare at

my

scarlet hair

look at

colourful

me

imagine

if

my

hair was

stripey

all the colours

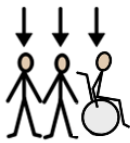

of the rainbow

on my

head

everyone

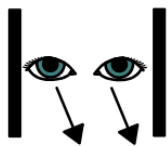

would stare at

my

stripey hair

look at

colourful

me
