

Fiveways School PE & Sports Premium 2023-24

Summary

PE and Sport Premium is a Government initiative that Fiveways School uses to “make additional and sustainable improvements to the quality of the PE, sport and physical activity” and to build specialist capacity. This ensures that improvements made now also benefit pupils in future years.

Many pupils find it difficult to engage in a ‘typical primary PE Curriculum’ such as athletics, team games, or swimming competently, confidently and proficiently over a distance of at least 25 metres. This includes pupils who have difficulties with communication, cognition, sensory integration, engagement, physical and/or medical disabilities.

We support and engage by providing additional specialist and personalised physical activities and equipment e.g., accessible PE, MOVE programme, hydrotherapy and Halliwick swimming, Riding for Disabled (RDA), specialist bikes, Rebound, mechanical horse.

Primary PE and Sports Premium Yr23-24

Number of eligible pupils Yr. 1-6 (Sept. 2023)	41
Funding Total (Local Authority indication)	£16,859

“What does a good life look like for me now and in the future?”

Fiveways School PE and Sports Premium

Funding

Conditions

My Body: MOVE

£7,859

Specialist staff to lead, plan and deliver 1:1 and group sessions for MOVE (specialist functional physical intervention).

My Body: Swimming/Poolside Lead

£7,500

Specialist staff to lead and enhance swimming, water based MOVE and hydrotherapy both in school and community pool.
Improving attainment in water confidence, safety, and skills including health and active lifestyle as part of preparation for adulthood health and leisure

Staff CPD

£1,000

Enhance & extend staff expertise for implementing strategies to support pupils with complex and high levels of physical need.
Enabling pupils to better access physical and sensory learning environments and activities

Resources & Sports Events

£500

Maintenance and enhancement of specialist equipment & resources to enrich and support physical and MOVE activities.

Inclusive sports, themed physical activities supporting pupils’ sporting skills, developing healthy lifestyles and pupils’ motivation e.g. Sports day and ‘Glitter run’, MOVE themed days.

Visiting athletes and extracurricular sports events / activities promoting health, fitness and engagement across the physical curriculum e.g. para-Olympian & cricket, rugby

Bikes: Specialist & standard upkeep & repairs

In 2022-23 the PE & Sports Premium was used to support the following initiatives:

1. Enhancement of playground & playtime resources, specifically linked to key outdoor learning areas.
2. CPD - Improved staff knowledge & expertise enabling the implementation of improved strategies with pupils, enabling them to better access physical & sensory therapeutic learning environments.
3. MOVE & Physical Curriculum - Specialist staff to lead, plan and deliver 1:1 and group sessions for MOVE (specialist functional physical intervention).
4. Specialist poolside practitioner to support teachers to plan and deliver small-group & whole class swim sessions.
5. Enhanced resources, equipment & enrichment opportunities for pupils' physical activity, promoting healthy lifestyles, supporting engagement, interaction and communication, across the physical curriculum. This included swimming aids

These priorities are informed by an analysis of the effectiveness of the school from a variety of sources including pupils' progress, information from parents, staff, Person Centred reviews, internal and external audits and questionnaires to help us prioritise how to spend this additional funding.

Impact:

Pupil Progress is measured based on MOVE, swimming programmes and Personalised Learning Goals for the curriculum area My Body and is entirely personalised. This information, together with termly Pupil Progress Meetings and reports from pupil annual review meetings, show that the strategies and interventions made possible with PE & Sports Premium funding are having a positive impact.

We monitor impact and provide feedback to Governors as part of cycle of Governor curriculum meetings, 3 per year.

	% Year 6 Pupils 2022-23	Context
Swim competently, confidently, and proficiently over a distance of at least 25 metres	0/6 = 0%	All pupils have severe, profound and multiple learning disabilities and many pupils also have associated physical disabilities. Whilst pupils may not meet these sports premium targets they do make good progress towards their personalised goals including swimming.
Use a range of strokes effectively e.g., front crawl, backstroke, breaststroke	0/6 = 0%	
Perform safe self-rescue in different water-based situations	0/6 = 0%	

Sustainability:

Swimming and MOVE programmes are part of core curriculum and fully integrated in the school timetabling.

Staff CPD including induction, refreshers, specialist courses and good practice modelling to cascade knowledge and skills and ensure practice embedded.

System of MOVE champions across classes in the school.
