Fiveways School

Accessibility Plan 2024-25

	Targets	Strategies	Outcomes	Time	Goal ach.
Short Term	Improve lighting in lower school corridors and Pebbles Class for visual impaired pupils, staff and visitors better	Change lighting to LED. The current lighting is a mix of colours and the LED lighting is visually better.	Waiting for Pebbles class ceiling leak to be repaired before work starts.	Sept 24	
	To improve provision for visual impairment pupils	6 th Form area has been addressed but to invite Somerset Sight to advise on environment around school.		Sept 24	
Medium Term	Allocated disabled parking for main school and Training Centre car parks	Designated bays for disabled parking to be introduced. One by SPTS and one in front of Reception area with signage of parking hours restriction 0915-1445.		July 24	
	Grass area at bottom of field not fully accessible.	Area to be seeded and then allow time for this to establish.		June 2024	
Long Term	6 th Form development of ground floor To develop and to upgrade the Cookery Room in the post 16 provision. This development will enable more pupils/learners to access all the 6 th Form facilities.	Bradbury Cottage: to turn existing kitchen into large working space teaching kitchen for pupils. Carr Cottage: to redevelop existing kitchen into a snug area and installation of a small lift to allow pupils access to all levels of ground floor.	Oct 22 Contractors contacted for quotes. Nov 23- Fundraising started.	2026	

Long Term	To develop Feathers and Pebbles outside play areas.	To enable safe outside spaces for both classes so that all pupils can enjoy and take part in all activities. Enable Feathers to have a separate play area.		2026
