	Targets	Strategies	Outcomes	Time	Goal ach.
Short Term	To further improve provision for visual impairment pupils	Yellow painted fencing in 6 th Form to define areas. Additional areas for consideration are: -highlighting of handrails, fixed edges, pillars at eye line, protruding steps, top/ bottom of steps, significant ramps and slopes at top/bottom. Tactile trials e.g. Lego strips to specific area. Tape / line to hall.		2025	
Medium Term	To develop Feathers outside play areas and to update Acorns outside play area to make it safe, secure and pleasant.	To enable safe outside space for the classes so that all pupils can enjoy and take part in all activities.		2026	
Medium Term	Allocated disabled parking for main school and Training Centre car parks. Clear marking in parking areas.	Designated bays for disabled parking to be introduced. One by SPTS and one in front of Main Reception area with signage of parking hours restriction 0915-1445.		2026	
Long Term	To improve Sports Hall fire exit wheelchair accessibility	To redesign area to have a ramp to enable wheelchair users to use fire exit.		2027	
Long Term	Increase parking for buses to make additional spaces and remarking of parking spaces	Work with LA to expand bus spaces as we expand pupil numbers. Look at making additional parking for Training Centre that allows for freer movement of cars on site especially at parent drop off and pick up times.		2027
