Date	Details
Nov 2022	Updated Plan
Jan 24	Updated plan
Feb 2025	Updated plan
Feb 2026	Updated plan

	Targets	Strategies	Outcomes	Time	Goal ach.
Short Term	To further improve provision for visual impairment pupils	Yellow painted fencing in 6 th Form to define areas. Additional areas for consideration are: -highlighting of handrails, fixed edges, pillars at eye line, protruding steps, top/ bottom of steps, significant ramps and slopes at top/bottom. Tactile trials e.g. Lego strips to specific area. Tape / line to hall.	Ongoing- some areas have been completed but further thoughts on floor tape needed.	2025 2026	
Short Term	To increase wheelchair accessible outside seating	Wheelchair accessible benches x2 are being fund raised for by FoFSA.		2026	
Medium Term	Allocated disabled parking for main school and Training Centre car parks. Clear marking in parking areas.	Designated bays for disabled parking to be introduced. One by SPTS and one in front of Main Reception area with signage of parking hours restriction 0915-1445.	Ongoing-	2027	
Medium Term	To allow pupils to access more off-site activities by having minibuses that more staff are able to drive.	Fundraising with local charities for 2 new minibuses.		2027	
Long Term	Increase parking for buses to make additional spaces Feb 26: remarking of parking spaces as part of lower school extension project.	Work with LA to expand bus spaces as we expand pupil numbers. Feb 26: Look at making additional parking and a 2 nd exit that allows for freer movement of cars on site (especially at parent drop off and pick up times).	Feb 26:LA have declined more parking spaces but this may be part of the lower school extension and 2 nd exit to facilitate better bus flow on site.	2028	

Long Term	Increase cookery experiences by having a more accessible children's kitchen area	Redevelopment of children's cookery room to make it more accessible to wheelchair users.		2028
