

Summary

PE and Sport Premium is a Government initiative that Fiveways School uses to make additional and sustainable improvements to the provision of PE, sport and physical activity and to build specialist capacity. This ensures that provision and improvements made now also benefit pupils in future years.

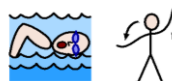

Many pupils find it difficult to engage in a 'typical primary PE Curriculum' such as athletics, team games, or swimming competently, confidently and proficiently over a distance of at least 25 metres. This includes pupils who have severe difficulties with communication, cognition, engagement, sensory, physical and/or medical disabilities.

We support and engage by providing additional specialist and personalised physical activities and equipment e.g., accessible PE, MOVE programme, hydrotherapy and Halliwick swimming, specialist bikes, Rebound, mechanical horse.

Primary PE and Sports Premium Yr25-26

Number of eligible pupils Yr. 1-6 (Jan. 2025 census)	39
Funding Total	£16,400

"What does a good life look like for me now and in the future?"

**Fiveways School
PE and Sports Premium**

Funding

Conditions

My Body: MOVE

£7,500

Provision of specialist support to enable pupils with additional needs to access & fully participate in PE e.g., MOVE (specialist functional physical intervention). Through good practice modelling and in context CPD.

My Body: Swimming

£7,500

Provision of specialist resources & support for equal & targeted access to physical activities. This includes hydrotherapy pool running costs and transport to community pool. Improving achievement in water confidence, safety, skills & for healthy & active lifestyle as part of preparation for adulthood

Staff CPD

£1,000

Enhance & extend staff expertise for implementing strategies to support pupils with complex and high levels of physical need. Enabling pupils to better access physical and sensory learning environments and activities

Resources & Sports Events

£400

Maintenance and enhancement of specialist equipment & resources to enrich and support physical and MOVE activities.

Inclusive sports, themed physical activities supporting pupils' sporting skills, developing healthy lifestyles and pupils' motivation e.g. Sports day and 'Glitter run', MOVE themed days.

Visiting athletes and extracurricular sports activities promoting health, fitness and engagement across the physical curriculum e.g. para-Olympian, adapted cricket and rugby sessions.

Upkeep & repairs of specialist & standard bikes which provides equal access for all pupils to the range of physical activity the school offers

In 2024-25 the PE & Sports Premium was used to support the following initiatives:

1. CPD - Improved staff knowledge & expertise enabling the implementation of improved strategies with pupils, enabling them to better access physical & sensory therapeutic learning environments.
2. MOVE & Physical Curriculum - Provision of specialist support to enhance MOVE; specialist functional physical intervention for children with additional and complex needs. This includes cascading skills and knowledge through in context support / guidance and in house training.
3. Provision of specialist support to enhance swim sessions so that children with severe and profound learning disabilities accessed and participated fully.
4. Enhanced resources, equipment & enrichment opportunities for pupils' physical activity, promoting healthy lifestyles, supporting engagement, interaction and communication, across the physical curriculum. This included swimming aids

These priorities are informed by an analysis of the effectiveness of the school from a variety of sources including pupils' progress, parents, staff, Annual Reviews, internal and external audits and questionnaires to help us prioritise how to spend this additional funding.

Impact:

Pupil Progress is measured based on MOVE, swimming programmes and Personalised Learning Goals for the curriculum area My Body and is entirely personalised. This progress data and information, together with Pupil Progress Meetings and reports from Annual Review meetings, show that the strategies and interventions made possible with PE & Sports Premium funding are having a positive impact on progress.

We monitor impact and provide feedback to Governors as part of cycle of Governor Curriculum meetings, 3 per year.

	% Year 6 Pupils 2024-25	Context
Swim competently, confidently, and proficiently over a distance of at least 25 metres	0/3 = 0% However, the 3 pupils have achieved • 1 x Alpha steps 1-3 award & working towards Learn to Swim • 2 x Alpha steps 1 award & working towards Alpha Steps 2	All pupils have severe, profound and multiple learning disabilities and many pupils also have associated physical disabilities. Whilst pupils may not meet these sports premium targets they do make good progress towards their personalised goals including swimming.
Use a range of strokes effectively e.g., front crawl, backstroke, breaststroke	0/3 = 0%	
Perform safe self-rescue in different water-based situations	0/3 = 0%	

Sustainability:

Swimming and MOVE programmes are part of core curriculum and fully integrated in the school timetabling.

Swimming specialist support develops and embeds knowledge and skills of wider staff team through good practice modelling & CPD during sessions

System of MOVE champions across classes in the school. Fiveways has been accredited by MOVE for many years and is a MOVE Centre of Excellence which highlights commitment to high quality provision and practice within and beyond the school.

A robust annual cycle of staff CPD includes induction, refreshers, specialist training and good practice modelling to cascade knowledge and skills and ensure practice is embedded.
