**Fiveways School has a school security including lockdown policy in place.**

**The policy covers evacuation, invacuation, lockdowns and incident communication.**

- **Lockdown: to prevent people entering or leaving school.**
- **Invacuation: moving people inside a building to a place of relative safety.**
- **Evacuation: moving people outside the building.**

Security procedures are a sensible and proportionate response to any external or internal incident, which has the potential to pose a threat to the safety of staff and students in the school. Procedures aim to minimise disruption to the learning environment whilst ensuring the safety of all pupils and staff.
